

Student Publicity Restriction Request

PINE BUSH CENTRAL SCHOOL DISTRICT

From time to time, students are photographed, videotaped, and/or interviewed by school district staff and/or representatives of outside news media agencies for the purpose of student achievement recognition or to inform the community of school district activities, events, programs, and/or other considerations.

Parents who ***do not*** want their children's name, age, grade, photograph, statements, or achievements included in school district publications (such as booklets, brochures, newsletters, and the school district calendar) or appearing on the district Web site, or in outside newspapers, or on television or radio programs covering school news, must **fill out the form below and return it to the school principal.**

The District will make every reasonable effort to honor requests to not publish photos/images containing students on the opt-out list.

PLEASE NOTE: Public events such as sporting events, some theatre productions, graduations, etc. are considered open to the public; therefore outside photographers and videographers are not governed by this policy.

If your child is not allowed to be in photographs or videos, please make sure that he/she is aware of your wishes.
